Dear Home Delivered Meal Clients,

Effective January 2, 2025, Nutrition Services, Inc. (NSI) will be the new Senior Nutrition Program provider in your community.

NSI has several years of experience in working with the Senior Nutrition Program. We take pride in the service that we provide and look forward to serving you.

Please be assured that there will be no interruption in your home delivered meal service. You will continue to receive meals as you have been. You will receive a Contribution Letter each month showing how a donation for your meals can be made.

Please reach out to your local site if you have any questions or concerns. NSI would be happy to assist you, as well. You can contact us at 701-371-5349.

Thank you for participating in this program. We look forward to serving you in 2025 and for many years to come!

Happy Holidays!
