D. Accounting System

Cash: A basis of accounting under which revenue / expenses are recorded when cash is	
received or disbursed.	
Modified Accrual: A basis of accounting under which revenues are recorded when they are	
received and expenses are recorded when they result in liabilities for benefits received	
(not when they are paid).	
Accrual: A basis for accounting under which revenues are recorded when they are earned	
(not when they are received) and expenses are recorded when they result in liabilities for	
benefits received (not when they are paid).	

Double-entry Accounting System		
Single-entry Accounting System		
The formal accounting system contains:	Yes	No
General Ledger		
General Journal		
Cash Receipt Journal		
Cash Disbursement Journal		

	Yes	No
Is an up-to-date chart of accounts maintained?		
Is there an up-to-date accounting policies and procedures manual which includes		
a complete description of the financial management functions?		
Are contract funds accounted for by separate fund accounts identified within the		
accounting system?		
Does the system adequately identify receipts and expenditures for each grant,		
contract or sub-contractor from each fund?		
Does the system require that all accounting entries be supported by adequate		
documentation?		
Are bank accounts reconciled monthly and copies of bank reconciliation kept on		
file?		
Are financial statements prepared periodically in sufficient detail to disclose		
significant variations in any category of revenue and expenses?		
Is a trial balance prepared monthly to ensure accounting records are posted		
correctly and the book (general ledger) is balanced?		
Does the proposer have a written inventory control procedure?		

Are duties and responsibilities separated (segregated) so no one employee has sole control over cash receipts, disbursements and reconciliation of bank accounts?	
Was a certified audit conducted within the last year? Attach a copy of the last audit report if the proposer is not a current Title III provider for the service areas specified in this RFP.	

If a position is paid with multiple funding sources how is the time allocated to each funding source determined? Indicate method and describe in space provided.
