How Vision Changes With Age

Join us and learn more about:

- Common eye diseases
- Aging Eyes Initiative
- Services offered by State Services for the Blind for Aging Eyes

**Tuesday April 12**

11am – 12pm

This is a virtual event via Zoom

To Register, visit Eventbrite

Caregivers and family are welcome to attend to understand what happens with aging eyes.
Stacy Shamblott is the Aging Eyes Coordinator and Senior Counselor for Dodge and Mower County. Stacy is Certified Therapeutic Recreation Specialist (CTRS) from the University of Iowa. She has been in the field of Therapeutic Recreation for 25 years.

Stacy has created the SHARE (Sports, Health, Activity, Recreation and Exercise) for Courage Kenny, Community Center for Vision Loss Resources and Edina School Age Care-KIDS Club Special Needs program. She also was the Director of Special Needs Program at the Sabes Jewish Community Center.

Stacy’s motto is everyone can do something for FUN but we might need to think outside the box!

Lauren Eliason is a Blind Rehabilitation Specialist with State Services for the Blind in the Senior Services Unit. She serves 12 counties in West Central Minnesota.

Lauren has worked with older adults for 13 years and is often found chatting with them about life experiences and their needs. She was a PCA for several years and then worked for a nonprofit in their Senior Services division, before transitioning over to SSB in July 2018.

Lauren believes that connection with people is most important and she will never turn down a cup of coffee to get the conversation started.
