

NWRDC LANGUAGE TRANSLATION BID REQUEST

The Northwest Regional Development Commission would like to invite your firm to submit a proposal for Language Translation Services for a one-year period starting January 2026. This proposal may be extended to include the calendar years 2027 and 2028 if so doing would allow us to receive a more competitive rate based on a three-year contract. The extension would be dependent on performance of the Translation firm. Call Ann Joppru at 218-745-6733 if you have questions. All proposals must be submitted to us either by mail to the Northwest Regional Development Commission office at 109 South Minnesota Street, Warren, MN or emailing your proposal to ann@nwrdc.org by Friday, October 31, 2025.
